

When We Were Young
Young Alister

Key of C#

[Intro Chorus]

F#

I only wanna call you back
And break this

C#

Nobody is gonna top it out
I hate it

F#

Am I the only one around
To take this

C#

I'm out of love, I'm out of love

[Verse 1]

G#

It took some time to realize

Am#

F#

We were standing so apart

G#

A#m

Together living different lives

F#

D#m

A never ending trip in time

G#

I cannot hold back

[Chorus]

F#

I only wanna call you back
And break this

C#

Nobody is gonna top it out
I hate it

F#

Am I the only one around
To take this

C#

I'm out of love, I'm out of love

F#

So bad I just can't go outside
and fake this

C#

The pictures are still in my phone
I've kept them

F#

Remind me how we used to be
On those days

C#

When we were young, when we were young

F#

Hey now, hey now, come back

C#

(When we were young)

Hey now, hey now, come back

F#

(When we were young)

Hey now, hey now, come back

C#

(When we were young)

[Verse 2]

G#

A#m

Standing still all through the night

F#

G#

Shared the tears and shared goodbyes

A#m

Living life into the edge

F#

D#m

Never knowing when it'll end

F#

D#m

So come close just one more time

G#

I cannot hold back

[Chorus]

[Bridge]

D#m

F#

So come on closer one more time

D#m

G#

Come on, I cannot hold back

[Chorus ti'll the end]
