

Tell Me Something
Young Alister

Key of C#

[Intro]

D#m | % | **F#** | % | **C#** | % | **G#** | % |

F#

Where you wanna be?

C#

Are we getting over this thing

A#m

I'm chasing shadows with you

G#

Never felt like with you

F#

Maybe we can be

C#

Together if we only make believe

A#m

I'm having doubts with you

G#

We both know it's true

D#m

Are we getting down with this

F#

G#

Are we going out tonight

[Chorus]

C#

Tell me something,

F#

I just wanna hold you someplace

C#

Like we used to do, I'm hoping

F#

Hoping this could be tonight, yeah eah

C#

Tell me something,

F#

Tell me where we can go only

C#

To make out ti'll the night comes over

F#

Promise we will lay down somewhere

D#m

Why it's so hard with you

F#

Why it's so hard with you

C#

G#

Why it's so hard with you

F#

Then why you make it hard

C#

If this is what we feel about it

A#m

Feeling hollow with you

G#

Maybe time will do

D#m

Are we getting down with this

F#

G#

Are we going out tonight

[Chorus]

[Acapella]

[Final (Why it's so hard...)]
